

Our group is looking for a fellowship trained neuropathologist. Can you please share this open position with your fellows?

CORPath/RMH Pathology Associates is a 15 pathologist private group practice in Columbus, Ohio, providing subspecialized pathology services and clinical pathology oversight to Riverside Methodist Hospital, Grant Medical Center and other facilities. Candidates must be skilled in general surgical pathology, cytopathology and neuropathology. Neuropathology fellowship and board certification are preferred. We offer an attractive compensation and benefits package.

Applications should include a CV, cover letter with personal statement and three references with contact information. Please submit electronically to Mark Brownell, MD at Corpath@gmail.com.

Best regards,
