

NEUROPATHOLOGY POSITION

Southeastern Pathology Associates is a dynamic pathology practice serving Georgia, Alabama, South Carolina and Florida.

We are seeking an AP/CP board eligible/board certified pathologist with fellowship training in **Neuropathology** to join our team at Baptist Medical Center, Jacksonville Florida.

This is a unique opportunity to join a dedicated group of colleagues in an exciting, growing practice positioned to be a regional leader.

Excellent interpersonal skills will be important.

For more details, please submit a letter of interest and a CV to Dr. M. Hanly, Chair of Pathology, Department of Pathology, Baptist MD Anderson Cancer Center, 800 Prudential Drive, Jacksonville FL. (email: cmiller@sepalabs.com)
