

Seeking Forensic Pathologists

Minimum Qualifications:

- √ MD degree of equivalent
- √ AP board certified / qualified
- √ Forensic Pathology certified / qualified
- √ Eligible to work in the US

Contact: Renu Prinja, MPA
 Operations Manager,
 UNM Dept of Pathology
 Phone: 505-272-9877

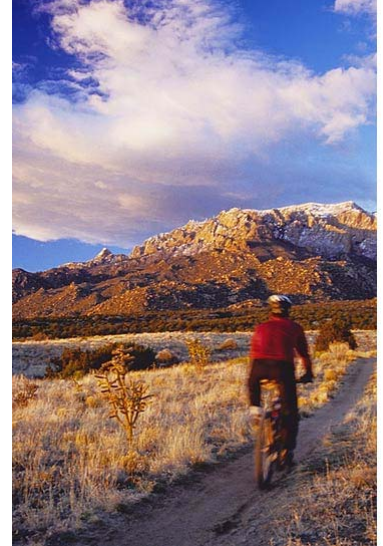

**New Mexico
 Office of the Medical
 Investigator**

Immerse yourself in diverse and engaging forensic pathology projects and medicine that will change the practice of forensic pathology, improve public health and safety, and foster medical education.

Practice forensic pathology with dynamic mentors and motivated peers – passionate forensic pathologists who are at the forefront of the field and who will become colleagues as you launch or continue your career.

Work in a state of the art, internationally known office – one of a kind with in house CT, MRI, expert consultants, university hospital affiliation, teaching, and unparalleled research opportunities.
