Subject: Re: Neuropathology Opportunity

Dear Dr. Wiley,

We, the Department of Pathology and Laboratory Medicine, Robert Wood Johnson Medical School and University Hospital, Rutgers University, are seeking a full-time junior faculty member with fellowship training in Neuropathology. Additional interest/training/experience in general/subspecialty surgical pathology clinical services or neuropathology research is highly desirable. Could you please forward this information to your current fellows and previous graduates who might be interested in the opportunity? The interested candidates can send a copy of their curriculum vitae and a list of three references to me via email: xz460@rwjms.rutgers.edu.

Sincerely,

Zhenggang Xiong
