

PENNSTATE

The Milton S. Hershey Medical Center
The College of Medicine

The Milton S. Hershey Medical Center and the College of Medicine of The Pennsylvania State University seeks a **full time neuropathologist**. The Medical Center is a 504-bed tertiary care hospital in a pleasant south-central PA community, with excellent schools and beautiful geography. Recent and planned growth includes an outpatient clinic building to enable further expansion of our very active neurologically-related services, an outpatient surgicenter, a free-standing Children's Hospital and a free-standing Cancer Institute building. The successful candidate will join a strong team-oriented faculty of 17 in Anatomic Pathology and 18 in Clinical and Experimental Pathology. The pathology faculty enjoys the benefits of modern physical facilities, fiscal stability, an on-site day care center and fitness center, collegial staff relationships, an outstanding residency program, and several ACGME-accredited fellowships in pathology subspecialties. Neurosurgery, Neurology, and Neural and Behavioral Sciences are independent academic departments. Depending upon the candidate's interests and qualifications, the position can be formulated with a clinician-educator focus or as a physician-scientist position. Candidates applying for a physician-scientist position will be expected to develop an externally funded research program. Applicants should be board-certified in Anatomic Pathology and board-certified or eligible in Neuropathology. Applications should include a cover letter with a personal statement, curriculum vitae, and the names of three individuals who could provide letters of reference. Applications will be accepted until the position is filled.

Applications should be sent to: Dani S. Zander, M.D.
Professor and Chair, Department of Pathology
Penn State M.S. Hershey Medical Center, M.C. H083
500 University Drive, P.O. Box 850
Hershey, PA 17033
