

## **SURGICAL PATHOLOGIST WITH NEUROPATHOLOGY SUBSPECIALTY CERTIFICATION.**

Anatomic or Anatomic/clinical pathologist, board certified, with subspecialty Neuropathology Fellowship training sought for a potential partnership position with a large pathology group. Practice is at an expanding tertiary care hospital, university-affiliated, with a Cancer Center on site, and multispecialty residency programs, including pathology. Applicant will be involved in teaching residents in an AP/CP residency program. Members of the group possess subspecialty certification in numerous areas of anatomic and clinical pathology, and the hospital is located in an urban setting in the Great Lakes area.
